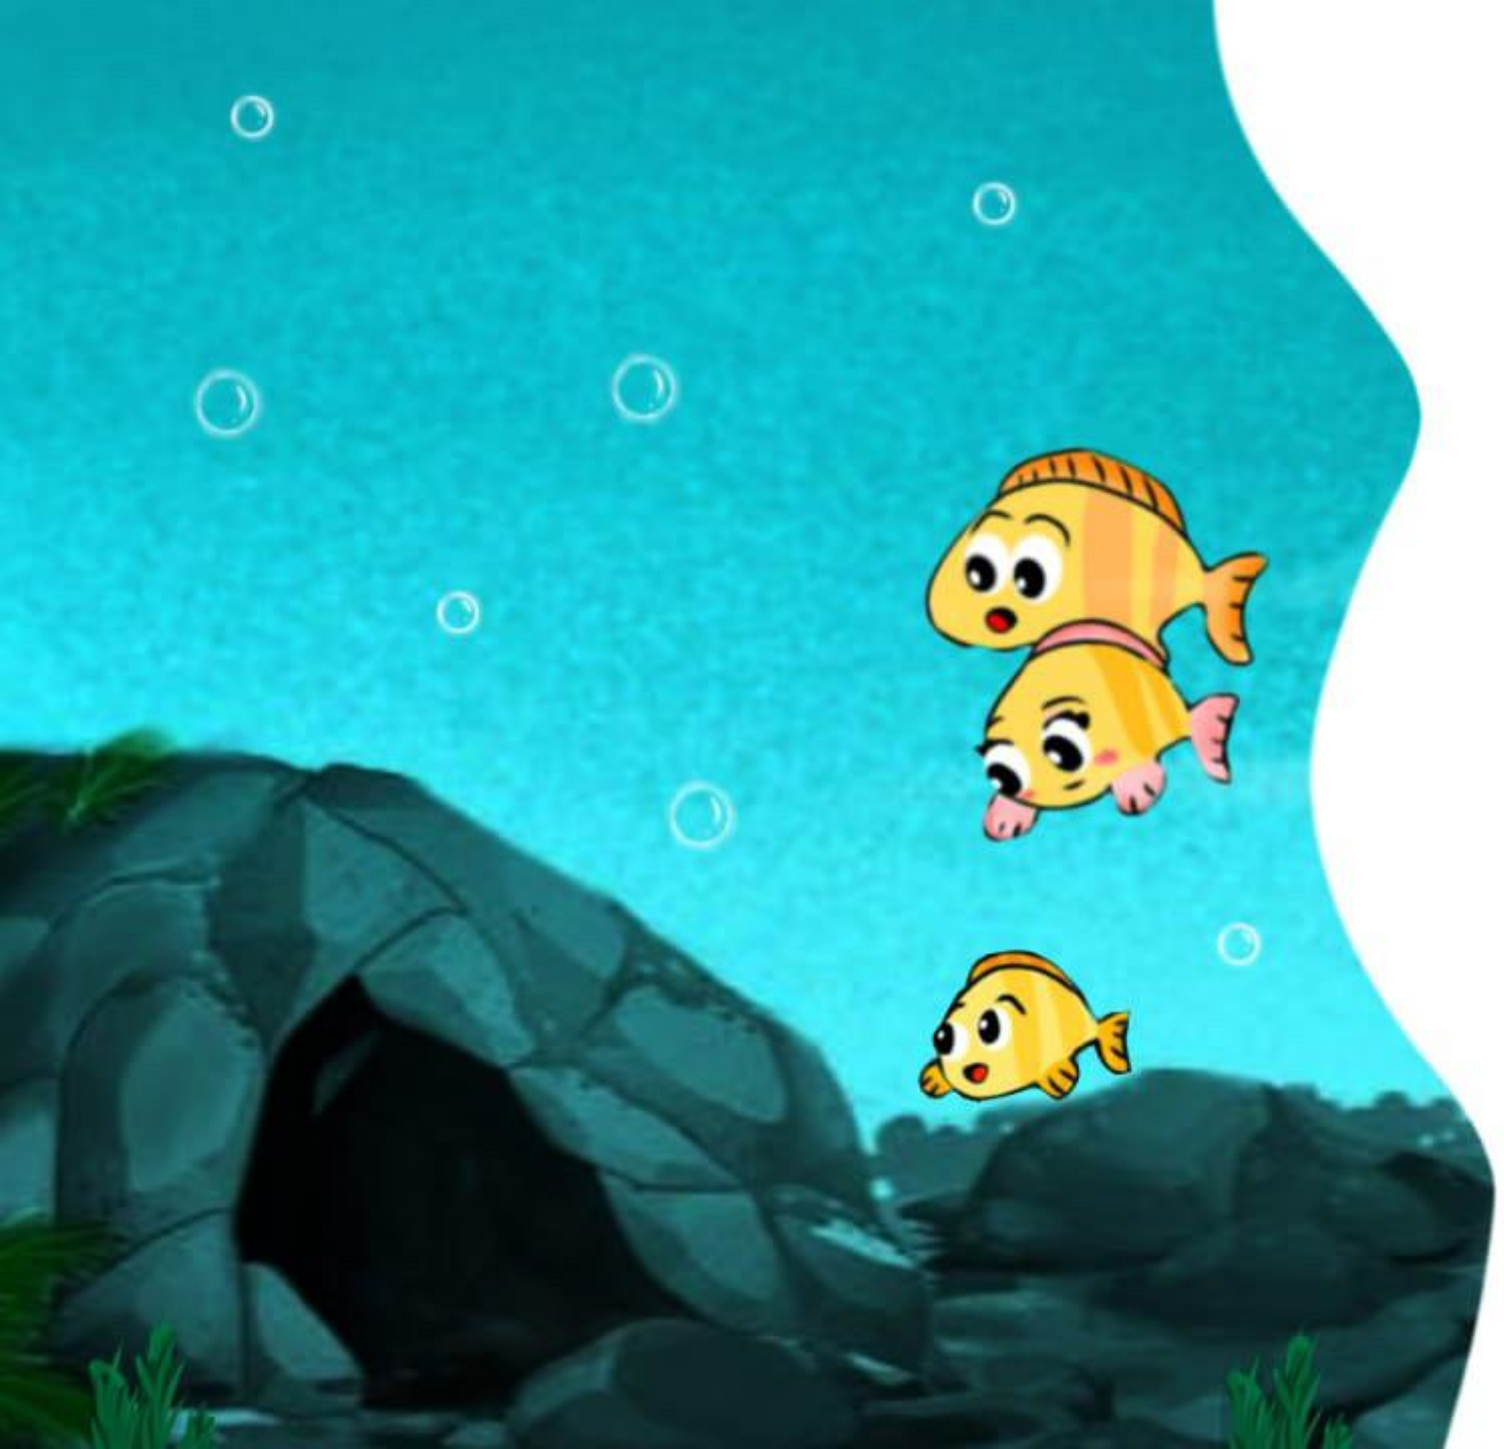
Once Upon a time, In blue Ocean there was a little boy who was living with his mom and his dad. The Little boy was named Billie. Just like his name, Billie means strong and virtuous. He was very strong fish but he has a very kind heart so sometimes people tricked him. Luckily Billie had parents who always supported him, So whenever there was a problem they always help Billie.

Billie and his family lived in the wreckage of a sunken ship of the sea. They lived a nomadic life to search of freshwater temperatures to survive, and they very kind to their neighbors. But it's time to move to another place.



Billie and his family took a journey to find a new place for lived. Then they found a cave. They curious about this cave because they never seen a beautiful cave like this. They entered to this cave and they amazed.

After out from that cave, “Aweasome! , Come on dad, Hurry up mom. i can’t wait to live in this beautiful place!” said Billie.

They were happy because their found a new place that was very different and most beautifull from the other place they ever seen.

When they arrived in new place, There are neighbor came to Billie and his Mom and dad.

they neighbors greeted them warmly. “Welcome here, hope you like it here and feel free when you need anything or help we always here to help” said the Neighbors. “Thank you very much, hope we will be a kind neighbor.” said Billie’s dad named Fid. “Thank you sir” Said Billie’s mom named Emily.

FRED (LEADER OF SEA FISH I-LAND)

But there was a three boys named Dree, Scoot, and Jason who doesn't like Billie for sure. They looked cynical to Billie because Billie's shape was small and cute while their bodies were unkempt so they were envious of Billie.

"Look at him, looks undernourished." said Dree. "and look at his eyes, it's so narrow, how can he see clearly with those small eyes, oops.." whispered Scott. Jason just laughed hear them mocking Billie. They looked very happy because there was prey which can give a bully every day. But Billie just keep quite and smiled at them. After that Billie and his family cleaned up their thing in their new house

The next day, The three boys were playing volleyball. They look very fun and laughing each other. Seeing that Billie approached them and indeed to play together. “Hi guys, Can i join?, I’m good at volleyball too.” said Billie. “Look at him, Who are you talking to?” said Scott. “Hahaha i think he is talking to this net.” Dree said.
while still thinking positive, Billie repeated what he said earlier. “Yes, I told you earlier that i wanted to join playing volleyball is it okay?” said Billie. “Hmm ok, if you want to join playing volleyball with us.” Said Dree. Billie innocently joined the volleyball formation without the slightest suspicion of what the three of them would do to his.

They started to be mean to Billie. When the game started, Scott deliberately threw the ball when it hit Billie's chest. “Oops.. Sorry Billie, i lost my control" said Scott. Fortunately, Billie didn't fall because of throw, in fact he immediately continued the volleyball and kept smiling as if nothing had happened. Then Scott, Dree and Jason seemed to be laughing at planning something.

Billie position was beside Jason. When Jason wanted to throw the ball to Dree, he deliberately nudged Billie's body until he fell and his fin was bleeding. “oops.. sorry i didn't mean to you" said Jason. “You have stood up quickly, don't be weak it just fall" replied Scott. “B-but, my finis bleeding. please help me, i need some medicine" Billie said. Dree looked at him and said, “Hey it just a minor wound. Come on, don't be weak!". The three boys mocked Billie whole laughing at him. Billie was crying and trying to stand up to go home while trying to hold back the pain of the wound.

When he came home, her mother was shocked because Billie's fin was bleeding. His mom rushed to clean Billie's wound carefully

Then she asked, "Why are you bleeding like this Billie?". His mom was so worried. "Are you fighting with your new friends?" said Billie's mom. "No mom. i just got slipped and then fell down" Billie replied with a small laugh. "Are you sure? i'm afraid if you have a problem with your new friends" said Billie's mom. "Yes mom, i'm sure. I'm okay" replied Billie. After that Billie was immediately going to bed because it's time to sleep.

A few days after Billie recovered, he came out of his house for a walk to get some fresh air. He accidentally bumped into Dree, Scott, and Jason. With no grudge at all Billie called out to the three of them with a happy face. They also greeted her happily as if nothing had happened yesterday. “Hi Billie, How was your fin? Sorry we didn’t help you because we had fun playing.” said Dree while laughing innocently. Billie replied “It’s okay, It’s only minor injuries”. Scott replied, “Billie, we want to play on the other side. Will you join us?”. Didn’t think twice, Billie said “Yes!” to Scott without any suspicion.

They rushed to other side. They ran, jumped and were very happy until Billie passed an object and asked. “ What is this? it looks like a swing, very funny!”. “That’s right, it’s swing here. Try to go up, i will help you to pull back” Replied Dree. “Thanks a lot, Dree”. said Billie.

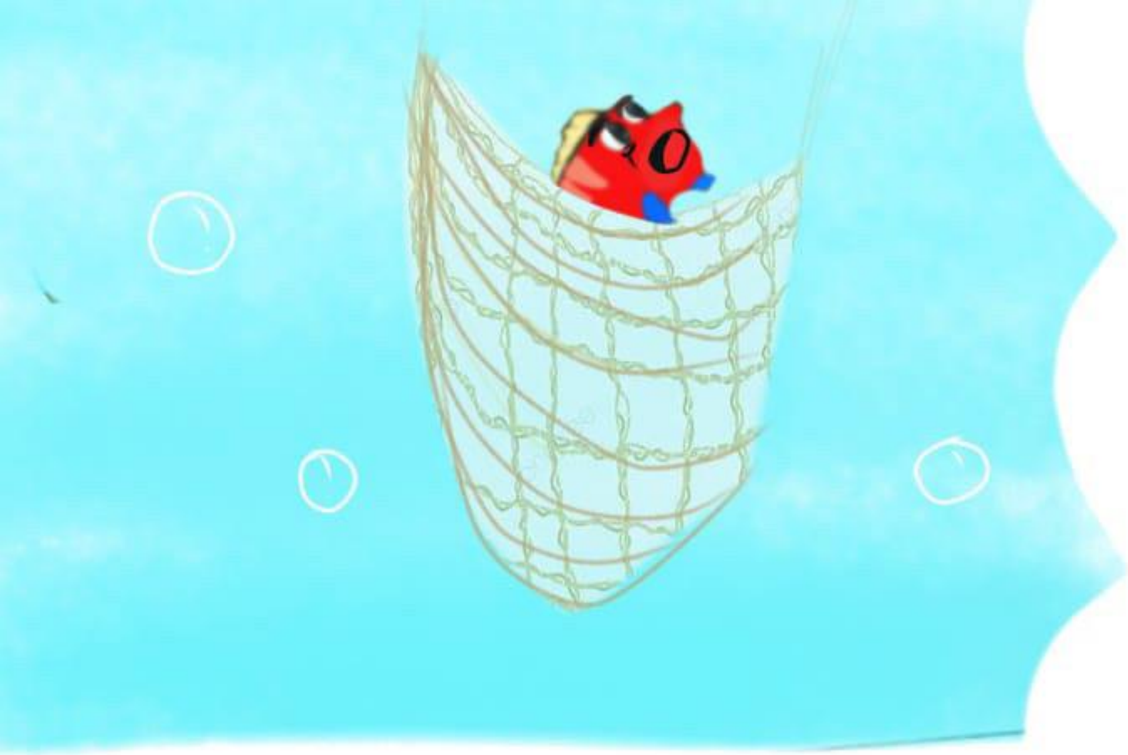
In the middle of Billie enjoying the swing, suddenly the swing was pulled to the surface of the sea. Billie shouted for his friends but they laughed together seeing the incident. It turned out that it was not a swing but a fishing hook floating on the seabed. Billie got panic but his friends didn’t care, because it was a part of their rotten plan.

Luckily his dad saw that incident and immediately rushed to the hook before it reached the surface. Billie survived from the hook and his friends immediately ran away after seeing Billie's dad there. Billie's dad was very angry with them, since Billie was in front of him, he refused to go to his friends and choose to take Billie home to treated his wound.

After arriving home, his mom screamed when she saw the blood on Billie's tail. "What else this is my son? What are you doing 'till you've got this wound?" Strangely, Billie still defended his friends. "No mom, it just a minor injury" replied Billie. His dad answered "No! he almost died because pf his new friends". "Oh my god! How cruel they are! Luckily you're safe. From now you don't meet and be friends again with them! Remember what mom said!" Said his mom. "Yes, Mom" said Billie. "Yes my son, Stay away from what hurts you and doesn't benefit you at all. Friendship is what benefit each other. You're funny, kind. You deserve to have a kind friends too." Said his dad. "Yes, Dad. Thank you mom, dad for being the good parents to me" said Billie. Then after that incident Billie got Traumatized and don't want to leave the house and socialize with outsiders.

The days passed, Billie didn't see his new friend anymore. He felt bored in his house because a few days ago he was afraid to go out. After that Billie want to go out in the yard just to play in the sand. Coincidentally, in front of the house Billie's parents were making the fence. "Hi, my son" said his mom. Billie replied "Hi mom, Hi dad" while waving his hand to them.

Billie started to play with the sand there and looks happy, playing while laughing. At the time he saw his friends playing in a place not far from his house. Billie was scared seeing them but Billie act like it's fine.



Suddenly Billie saw that they friends were caught on fishing net. They screamed, they can't survive from the net because the net was too strong. "Help! Somebody help us!" said Dree. "Anyone please help us!" said Scott and Jason cried while he try to out from the fishing net.

Seeing this incident Billie rushed to their friends and help them out from that fishing net, but it has reached the surface.

They exhausted from not being able to breathe air but Billie still helping them out from the fishing net and it’s working. After that they jump back into the ocean then Dree, Scott and Jason out from that net because of Billie’s help.

Seeing this incident Billie's parent worried a lot, but after seeing Billie and his Friends came back, Billie's Mom and dad Hugging Billie tightly and crying happily because Billie came safely. "Billy what have you done, we are so worried about you luckily you are safe" said his Mom. "It's okay mom my friends need help so i help them" said Billie while crying. "You too kind to them, even though they have harmed and bullied you but you still want to help them. and it's dangerous my son we are so worried about you. You too kind to them why?" said his dad. "They are my friends dad whenever they need my help i will help them, I'm fine, It doesn't matter how they treat me. I've forgiven them and I'm sincere too. I just want to be their friends and playing together." said Billie

Then their friends were crying embarrassed, and feel very guilty because they have bullied and pranked billy dangerously. After that they feel sorry to Billie so they apologized and asked Billy to forgive them for being so outrageous. as well as Billie's parents, they apologized to Billie's parents too for harming their child. They want to be friends with billie with the true meaning of friendship. “Billie i’m so sorry, I have gone too far with you because I was jealous of you from the start. I'm sorry” Said Dree. “I'm also sorry billy I always bullied you and was rude to you” Said Scott “Im so sorry too billy forgive me you are a kind person. i want to be your real friends” said Jason. with smile Billie answered “It’s okay my friends. It's my job to help you. I have forgiven you too. Thank you for accepting me as your friend.” Said Billie

After that incident they stay there and don't move to another place again. Billie have a true friends and live happily with his friends and family also have a nice neighbors. They lived happily ever after.

Synopsis

A strong and kind fish who lives with his mom and dad nomadic. When he finds a unique and beautiful place begins a story and tragedy that is quite tense. Little and innocent Billie was bullied by 3 kids named Dree, Scott, and Jason. Bullying with outrageous makes Billie traumatized by the behavior of his new friend because it almost made Billie hurt. After a few weeks and his wounds healed Billy met his friends who were caught in a fishing net and saved them, so that they were ashamed and apologized to Billie and became true friends. then billie and her family settled there and lived happily with good neighbors too.

The Moral Value

Friendship is about how we give each other positive feedback. Don't let your friendship be tarnished by bullying just because it doesn't matter. Because the truth is, friend must understands each other in any circumstance.
